

List of Figures

| | |
|---|----|
| Figure 1. Royal red shrimp <i>Pleoticus robustus</i> | 15 |
| Figure 2. Scarlet shrimp <i>Plesioenaeus edwardsianus</i> | 15 |
| Figure 3. Length types illustrated on different fish tails | 24 |
| Figure 4. Squid mantle length illustrations | 24 |
| Figure 5. Scallop shell height illustration | 24 |
| Figure 6. Clam shell width illustrations | 25 |
| Figure 7. Crab carapace width illustration | 25 |
| Figure 8. Lobster carapace length illustration | 25 |
| Figure 9. Examples of otoliths from a variety of fish | 26 |
| Figure 10. Standard method of dissecting a fish skull to remove otoliths | 26 |
| Figure 11. Location and angle of the necessary cut to remove otoliths from various fish | 27 |
| Figure 12. Location from which to collect scales from various fish | 28 |
| Figure 13. Age structure envelope | 29 |
| Figure 14. Tuna length measurements and age sample parts illustration | 32 |
| Figure 15. Shark length measurements and age sample parts illustration | 32 |

| | |
|--|----|
| Figure 16. Billfish length measurements and age sample parts illustration | 32 |
| Figure 17. Swordfish length measurements and age sample parts illustration | 32 |
| Figure 18. Tagging location for billfish and tunas | 33 |
| Figure 19. Tagging location for sharks | 33 |
| Figure 20. Sex determination in sharks..... | 35 |
| Figure 21. Cross section and whole views of female swordfish gonads | 36 |
| Figure 22. Cross section and whole views of male swordfish gonads | 37 |
| Figure 23. Ventral view of a female lobster | 38 |
| Figure 24. Ventral view of male lobster | 38 |
| Figure 25. Ventral view of female crab abdomen | 39 |
| Figure 26. Ventral views of male crab abdomen | 39 |
| Figure 27. Cetacean body measurements | 41 |
| Figure 28. Pinniped body measurements | 41 |
| Figure 29. External sex characteristics of cetaceans | 42 |
| Figure 30. External sex characteristics of pinnipeds | 42 |

List of Figures (con't)

| | |
|--|----|
| Figure 31. Internal organs of cetaceans | 43 |
| Figure 32. Internal organs of pinnipeds | 43 |
| Figure 33. Sea turtle measurements | 44 |
| Figure 34. Proper positioning of a turtle for resuscitation | 45 |
| Figure 35. Inconel turtle tags..... | 45 |
| Figure 36. American shad and hickory shad | 46 |
| Figure 37. Blueback herring and alewife | 47 |
| Figure 38. Little skate and winter skate | 48 |
| Figure 39. <i>Loligo</i> squid and <i>illex</i> squid | 49 |
| Figure 40. Atlantic sturgeon and shortnose sturgeon | 50 |
| Figure 41. Little tunny, Atlantic bonito and skipjack tuna | 51 |
| Figure 42. Mathematical formulas for calculating the volume of a fish tote or basket | 53 |
